Mitutoyo
70th Anniversary
 Innovation for the Future

In honor of Mitutoyo's 70th Anniversary, STATMeasure PLUS -70 is available for one cent when purchasing capital equipment products over \$25,000. When purchasing capital equipment products that are under \$25,000 STATMeasure PLUS-70 is available for a discounted price of \$768.00 (70% off the regular price).

Features

- An enterprise-wide quality management and information system
- Integrated statistical quality for dimensional metrology
- Mobile data collection and web publishing periphery
- State of the art graphical display
- Flexible report generation
- Part and process data management

Order No. **54SAA093D-70** (for systems over \$25k)

Order No. **54SAA093D-70A** (for systems under \$25k)

Ask your Mitutoyo representative for a demonstration, and more information!

MeasurLink®

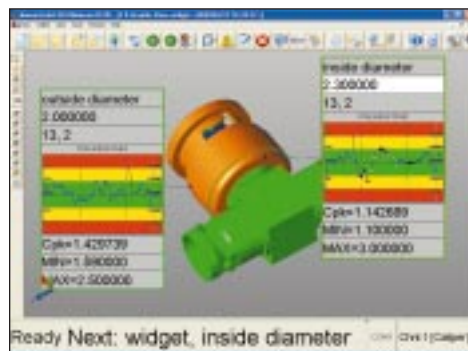

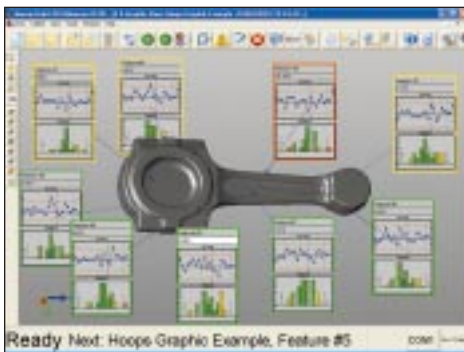

An Integrated Solution for Quality Data Management

MeasurLink® Version 6.0

STATMeasure PLUS: Add the power of visuals to Real-Time.

This is a superset of SPC Real-Time, built around a graphical multi-variate display in which callouts are positioned against an image, such as blueprints, digital photographs, CAD displays. It, too, is designed for use by machine operators and QC inspectors.

- Auto print of Graphics display
- Remote screen setup
- CAD File support (DXF, DWG) – set perspective on CAD model
- GD&T Labeling (ANSI/ASME standard symbology)
- DDE dynamic tolerance update (for GEOMeasure, MCOSMOS, QVPak, QSPak, SurfPak, RoundPak and FormPak)
- Multiple image background (front view, side view, top view, etc.)
- Image control support in callout
- BMP and JPG image support
- Hoops 3D modeling
- Automatic email of inspection results
- Autorotate of 3D model
- Delete/Restore Sub-Group
